Summarize your plans following college.

Identify the most significant goal you attained this school year.

What do you feel was your most valuable learning experience?

Do you plan on continuing at the same school (if not explain why)?

Will you be changing your course of study and if so why?

Are your goals the same as when you entered school (explain)?

What courses did you prefer – which ones did not meet your expectations?

What are your plans for the summer - do they relate to your field of study?

Transcripts

If you have not already submitted your official transcript for last semester, please do so.

Please have an official transcript sent direct from your school to:
